

Tatting GR-8 Chain Around

This is the 7th book by Gary and Randy Houtz, aka, the Shuttle Brothers. Color, 66 pages.

Chaining around our tatting is what we do. The focus of this book is tatting around the self-closing mock ring and showing different ways to utilize. These are suggestions of how you can use tatting experiments to create designs of your own. Patterns range from intermediate to advance.

Price: \$28. Please add \$2 for postage.
